

Woodpecker Class Newsletter

Term 2

Welcome to Term 2! I hope you had a relaxing half term. This term we will be finishing our topic on life in ancient Egypt by researching famous pharaohs, making Canopic jars and visiting Maidstone Museum. During the museum trip, we will be able to view artefacts from ancient Egypt and a real mummy!

Later in the term, we will be looking at robots. This will include exploring how magnets work and creating our own robot using different material.

If you have anything you wish to discuss about your child's learning, please come and speak to me.

Miss Nelson

Any additional support at home is greatly appreciated, especially with the following:

- **Spellings** for the whole term have been sent home and we will also learn these in class.
- We will also be working on our **times tables** and **division facts**. We are focusing on the 3, 4 and 5 times tables.
- **Homework** will be sent home on a Friday and completed work must be returned the following Wednesday.

PE lessons are on a Monday and a Thursday. All children should keep their PE kits in school and no earrings are to be worn in lessons.

Dates for your diary
