

Friends of Oaks - Minutes

Sadly we had no new faces attend our coffee morning meeting on Monday 7th November 2016.

Marie, Carly, Mrs Biggenden, Gill Morris and Karen met to discuss the fundraising for Friends of Oaks and discuss any new ideas. We will continue to meet on a Monday morning at 9am if anyone wishes to join us. We will be preparing for our Christmas Fayre.

The Friends of Oaks have decided to purchase a camera so that we can record events and they can go on the website and the notice board when it arrives.

Markings for the playground is also being sponsored by F of O and we hope to have achieved that by Christmas, we are working closely with staff in school on what goes on the playground.

A list of future events will be sent out with a sign up slip for helpers. We have done this before and it works well as you can volunteer to help at an event and support the school without too much commitment.

There will be more healthy options for refreshments at the school disco in December, parents have requested this and we are happy to give it a go.

Friends of Oaks have agreed to hold a second- hand uniform sale in January so if you have uniform that is too small for your child please bring it in and we will put it in our sale. All proceeds will be treated as fundraising.

It was agreed that Gill will send out the letter requesting help next week and informing all parents about second hand uniform.
