

School Council Minutes 09.11.17

1. Welcome- all School Council members present
2. Josh (Y6) will Chair the next meeting Thursday 23rd November at the Town Hall
3. Shared suggestions already made as part of the School Council discussions in T1 or since the election

We tried to organise the ideas into groups to help us to see who we needed to discuss them with:

Mrs Tipple

- Fruit for all (KS1 currently receive fruit). Can KS2?
- Trips: many suggestions made including Legoland, Creams, Thorpe Park, PGL, cinema and many classes had asked for more trips.
- Chocolate bars at lunch
- Drinks at lunchtime: juice for packed lunches as sometimes school dinners get milk shake
- Extra break (5mins) every now and again as a reward
- Litter pickers
- Level the field, play football on the field

* It was decided to write to Mrs Tipple to arrange a meeting. We could discuss these suggestions and get her ideas for the school and how we can best help to make Oaks Primary Academy the best it can be.

Marita from Olive Catering (Marita has already asked to come to a meeting- Miss Dunn to organise)

- No pork
- Cutlery is sometimes dirty

Class Teachers

- More cooking (every week!)
- More plants/gardening opportunities

Kay (Kay has already asked to come to a meeting- Miss Dunn to organise)

- More equipment
- Climbing frame/slide
- Jungle Gym
- Rota for the bridge

4. Fundraising ideas/Charities:
Children in Need- Friday 17th November (Miss Dunn to speak to staff at Friday morning meeting)
Demelza House- we received a letter asking us to hold a bucket collection at the end of the Christmas Concerts and productions. Everyone on the School Council was keen to support. Raise at meeting with Mrs Tipple.

A suggestion was made to hold a fundraising event so we could have a Birds of Prey/reptile workshop.

5. Next meeting: Thursday 23rd November

To discuss in class:

Ideas about possible fundraising events e.g. non-school uniform, crazy hair etc. and charities.

What playground equipment would you like? Remember to consider cost.

Discuss cooking and gardening opportunities.
