Welcome to Year 1

We are delighted to welcome you and your child to Year 1 and are excited about the term ahead and the wonderful learning we will do!

The children will be taking ownership of their learning as we explore different themes and topics through art. We are focusing on pencil grip and letter formation in writing, decoding and understanding the text in reading and developing a deeper sense of number in maths. This will happen alongside lots of technology, science, music, geography and history as we progress on our learning journey.

1

PE

We have PE on a Tuesday and Thursday. Please make sure PE kits are in school and earrings are out.

2

CLOTHING

Please make sure every item of clothing is named so that we can return missing items promptly.

3

WATER BOTTLE

Your child needs a water bottle, filled with fresh water, in school everyday. Please make sure it is named.

Reading

Your child's reading book will be sent home this week. Please encourage your child to read as much as possible.

Homework

Brain Builders will be sent home on Friday and returned on Wednesday. Please encourage your child to complete the tasks to the best of their ability.

Any concerns?

If you have any concerns, please do not hesitate to contact any of the Year 1 team. We are here to help.
