Dear Parents/Carers,

These are the spelling patterns and rules that your child will be focusing on this term. Included are some examples of words that follow the spelling pattern. You can help support your child by practicing the words and investigating the pattern taught by exploring new words that follow the pattern. Instead of a spelling test, your child will participate in a spelling dictation (sentences and passages) linked to books that they have been learning about in class. You will also find this list on the school website.

Thanks for your support.

Miss Cuthbertson
