## TERM 2 - 'Who is that?'

Welcome back to term two!

We hope you had a restful break and are ready for the festivities that term two will bring.

### The cold weather...

We spend a lot of our day outdoors, please send your child in with a labelled, warm coat, hat and gloves.

### P.E.

P.E. kits are required in school every day. We will sometimes do P.E. outside; your child will need their tracksuit now that the weather is colder.

### Bags

Please could you send your child with a school bag every day. Library books and reading books will only be sent home if your child has one.

### Brain Builders

Just a reminder, homework is sent out on a Friday and is due in the following Wednesday. It needs to be in on time for your child to collect their Brain Builder points.

### Reading Books

Now that we have learnt our first set of phonics sounds we will begin sending books with words home. We are in the very early stages of reading, could you please help your child segment (say each sound in the word) and blend (put the sounds together to read the word).

Thank you for your continued support. If you have any questions, please speak to one of the team.

### Who is that?

Our topic for this term is, 'Who is that?'

We will be learning traditional tales, retelling stories and making our own versions of our favourite books. This will help to develop our language and literacy skills. In maths we will be finding one more and one less and we will begin to combine groups of objects. We will also be learning about patterns.
