TERM 3 - 'Why does that happen?'

Happy New Year!

Welcome back to term three.

We hope you had a lovely Christmas break.

P.E.

Just a reminder, no earrings are to be worn on P.E. days (Tuesdays and Wednesdays).

Bags

Please could you send your child with a school bag **every day**. Library books and reading books will only be sent home if your child has one.

Please could you also make sure your child has spare underwear in their bag, just in case!

Brain Builders

Our first Brain Builder of the term will be sent out on Friday 12th. A gentle reminder, homework is sent out on a **Friday** and is due in the following **Wednesday**. It needs to be in on time for your child to collect their Brain Builder points.

Reading Books

We have invested in some new reading books for the children. Reading books will still be changed on a **Tuesday** and **Friday**. Your child will not receive a new reading book until they have returned the current one. Please keep the books in the covers. At school we teach children the skills to read but in order to become a fluent reader, children need to practise these skills regularly. We recommend daily reading practice.

Dates for your diary...

Play and Stay Friday
2nd February 9:15am

Why does that happen?

Our topic for this term is, 'why does that happen?'

We are going to be learning about the Arctic and Antarctic and the animals that live there. We will look at the environment they live in and how this compares to where we live. We will conduct experiments about snow, ice and melting.

In maths we will be begin simple, practical addition and subtraction and explore capacity.

Thank you for your continued support. If you have any questions, please speak to one of the team.
