Term 5

Welcome back to Term 5. I hope you all enjoyed the Easter break and sunshine. We had a busy end to last term and I do hope your children enjoyed their holidays and are energised and ready for this term. I am really looking forward to the next 6 weeks; we have lots of outdoor learning in store that I know our Woodpeckers will thoroughly enjoy. As always, if you have any thing you wish to discuss about your child's learning, please come and speak to me.

Miss O'Donoghue

Reading:

Thank you for reading at home with your child. So many of our Woodpecker class are now wearing reading badges with pride for reaching our different Oaks book-reading milestones - keep this up!

If you're still working towards a badge, make this the term you earn it!

Spellings:

Spellings have been given out and will also be available on the school's website. These are so important and any work on the spelling patterns at home is hugely appreciated. If you have any concerns regarding your child's spelling or require more, please come and chat to me.

Brain builders:

I thoroughly enjoyed reading the creative brain builders last term and it was clear when a huge amount of research and effort was put into the Roman projects in particular. Remember to keep up the good presentation and focus on handwriting too. House Points are earned and a non-uniform day is awarded to the house with the most brain builder house points!

Kit:

Make sure your child's kit is labelled and in school ready for PE and Games lessons this term. Water bottles are important to have in this hot weather.
