Term 6

Welcome back to our final school term; can you believe it?! I hope you all had a relaxing and enjoyable week off. Last term, Woodpeckers were engrossed in our story of *The Selfish Giant*, acting out scenes, creating beautiful artwork and writing descriptive pieces. We had such a busy end to last term with Outdoor Classroom Day, Maths Week and our visiting apple workshop. Remember to visit our Woodpecker page on the website to keep up to date with all of your children's learning in this final term.

Spellings:

These will be given out as usual and all work on them at home benefits your child greatly. If you would like any extra spelling support for your child, please come and speak to me.

Reading:

We love reading together in Woodpeckers and sharing the books, sports articles or poems that we have enjoyed from school or home. Remember, you can bring any of these in if you want to share them with us. This term, we will be looking at different adventure stories from around the world and articles from the inspirational people that your children admire. We will be reading about Flat Stanley and the exciting trips he takes around the world. Poetry is something we will be performing often in many different styles.

Writing:

This term, as well as reading about different adventures, we will be writing our own thrilling stories. Poems will be written in many different styles on various topics. We will be writing letters to people we think are inspirational and Flat Stanley's adventures will feature in our writing weekly too. We will be revising all of our important skills, especially apostrophes of possession with plural nouns and inverted commas.

Science:

We are continuing with our topic on plants as we have grown so many which we are still observing every day. Animals, including humans is our second topic this term and we will learn all about their nutrition, skeletons and movement.

If you have any questions about your child's learning, please do not hesitate to come and talk to me.

Miss O'Donoghue
