

Woodpecker Class Newsletter

Term 4

Welcome back! I hope that you and your family had an enjoyable half-term break. This term, we will be starting our new topic of dragons. We will be reading folktales and fairy tales involving dragons before writing our own stories. In Science, we will be completing our topic of healthy eating before moving onto researching different types of rocks and fossils later in the term.

In Maths, we will be looking at perimeter before moving onto fractions. Throughout this term, we will be focusing on our division facts.

If you wish to discuss about your child's learning, please come and speak to me.

Miss Nelson

Any additional support at home is greatly appreciated, especially with the following:

- **Spellings** for the whole term have been sent home and we will also learn these in class.
- This term, we will be particularly focusing on our **division facts**.
- **Brain Builders** are taken home on a Friday and returned on Wednesdays. There is an expectation that these are completed to the child's best ability.

This term, Woodpeckers will be going swimming every Thursday morning. Please make sure your child has appropriate swimwear. If you have any questions regarding swimming, please don't hesitate to ask. Year 3 will also have PE on a Wednesday morning.

Dates for your diary

Monday 26th March - parent afternoon
(come and see the learning your child has completed this term)
