

Woodpecker Class Newsletter Term 1

Welcome to a brand new school year. I hope you and your family had an enjoyable and relaxing summer break and are looking forward to the year ahead. I am really looking forward to the term; we have lots of different topics and activities to learn from and enjoy. If you have anything you wish to discuss about your child's learning, please come and speak to me.

Miss Nelson

Spellings

Spellings for the whole term are being sent home and we will also learn these in class. Any help and work on spelling patterns at home is greatly appreciated as they are so important.

Times Tables

We will also be working on our times tables. We will be singing many songs and playing games to help with learning these. As with spelling, it is really important that children practise their times tables regularly.

Homework

Children are expected to complete two of each subject. House Points can be earned for completed work and work which is completed to a good standard.

PE lessons this term are on Monday and Thursday. All children should keep their PE kits in school and every item should be named in order to return any lost kit to its rightful owner!
