

Duckling class 2016-2017

Welcome back to term 3.

Winter theme

This term we will be learning all about winter, we will be investigating the changes to our outside environment during the winter months and planting vegetables ready for spring.

Parent Involvement

This term we will be celebrating Chinese New Year. Parents are invited to a special play and stay session with their child on Friday 27th January at 11 am. This is an opportunity to spend some time with your child. Due to limited space we are unable to accommodate other children at this event.

Your cooperation is greatly appreciated.
