

Friday 10th March 2017

Welcome

We have reached the end of another incredibly busy and successful week.

Tragically, it started with the sad news of the death of a parent from the school. We have all been deeply touched by this and our thoughts are with the family at this difficult time. It has been overwhelming to see the school community come together to support the family and express their desire to help in any way they can.

On Thursday Years 3 and 4 were transported back to Roman times and delighted in many experiences including playing games that did not involve technology, making coins, competing for the best rubbing, using tools made of flint and ending with a 'march-off'. I don't know about the children but the teachers thoroughly enjoyed it.

Next week is Science Week with all sorts of weird and wonderful experiments and competitions to look forward to.

Have a wonderful weekend.
Mrs Tipple

"The important thing is to never stop questioning"
Albert Einstein
