19<sup>th</sup> October 2018

Dear Parent/Guardian,

Your child has access to Purple Mash, a whole online world of fun and exciting learning opportunities in one safe place.

## What is Purple Mash?

Purple Mash is a comprehensive suite of online learning tools and content, designed to be used by Primary aged children in the classroom and at home. Teachers can set 'To Do' tasks for pupils to complete or pupils can engage independently.

Purple Mash can be accessed from a laptop, desktop or tablet. It is a safe environment which doesn't need any downloading or allow interaction with people outside the Oaks Primary Academy community. We will be encouraging your children to continue their learning at home and Purple Mash is a great resource for this.

## How will Purple Mash help your child?

The Tools section allows your child to use a range of skills, from creating their own stories and learning to type to exploring art, musical and coding tools.

Serial Mash offers many engaging books for all reading levels. Each book comes with a variety of activities to do, like chapter quizzes, missing word questions and art projects.

Within the subject links to the right, pupils can practise a variety of English, Maths, Scientific and Computing skills.

## Saving and Sharing Work

Purple Mash lets your child save their work online in their folder which their teacher has access to. They can also share it to the Purple Mash School Display Board for Oaks Primary Academy.

Your child's login details are attached. To access our Oaks Primary Academy Purple Mash, visit: [www.purplemash.com/sch/oaktrees-me15](http://www.purplemash.com/sch/oaktrees-me15)
