

Dear parents and carers,

Chelsea James and Daisy Roberts are our local Police Community Support Officers. They are really focused on increasing community engagement with the local schools in the area.

They are going to be coming to Oaks Primary Academy on Monday 19th November between 8:45am and 9:15am to provide cycle security advice and offer security marking and registration onto Bike Register's online database. By pupils registering their bikes this helps the Police identify and verify the legitimate owner of the bikes that have been stolen or those that are being resold.

In order for us to register the bike on to the national bike register, **pupils must bring their bike in with them on the day** – as they will be marking the bike with a Selectamark permanent marking kit.

Parents will need to provide us with their email addresses, full address, contact telephone number so that once these details are submitted, BikeRegister can get in contact with them. The bike owner will need to sign a 'Bike Security Marking Disclaimer' form.
