10th January 2019

Dear Parents and Carers,

As part of our 'Sharing the Planet' topic, the children in Sparrow Class have decided they would like to find out about the animals we share the planet with. In order to give them a valuable experience that will enhance their learning, we have arranged for professional animal handlers 'Our Amazing Animal World' to visit us with a variety of animals. The children will be able to hold and feed the animals, as well as learn about them from the experts. The visit will take place on **Tuesday 22nd January 2019**.

After the visit, the children will be using their experience to inform their learning across the curriculum, including writing, performing and art. You will be invited in at a later date to share the outcomes of their learning.

Visits and trips are an invaluable part of a child's education for the expertise and enrichment they provide and mostly, there is a cost attached to this. Oaks Primary Academy always fund or subsidise trips and visits wherever possible but it is sometimes necessary to ask for donations to enable us to offer a range of enrichment events that underpin our broad and balanced curriculum. The contribution for this visit is £5.00.

We would like to apologise for the short notice, but we wanted a visit that links directly to the children's inquiry. *Our Amazing Animal World* were very booked up and managed to make this booking for us. Therefore, we would appreciate the slip below returned to school by **Friday 18th January 2019**. If you have any questions or concerns, please do not hesitate to speak to me.

Thank you for your support.

Yours sincerely

Mrs G Rawling

Sparrow Class Animal Visit

Pupil Name: _____

I/we have enclosed **£5** for the animal visit.

Signed: _____
