Term 6

Welcome back! I hope that you and your family had a relaxing half-term break.

Our new learning this term will be centred around the statement:

Communities may undergo transformation as a consequence of the movement of people.

We will be breaking down the statement and using it to explore some of the first invaders of Britain, different religions, and the Mediterranean. We will be researching on the internet, writing persuasive leaflets and continuing to learn Spanish.

PE lessons will take place on Wednesday afternoon and Thursday morning. All children should keep their PE kit in school. If your child wears small stud earrings, they need to be able to remove these themselves and keep them in a labelled box or envelope.

If you wish to discuss anything about your child's learning, please come and speak to me.

Miss Nelson

Any additional support at home is greatly appreciated, especially with the following:

- **Spellings** for the whole term can be found on the back of this newsletter.
- We will be continuing to focus on the **6 and 7 times tables** as well as our **division facts**.
- **Brain Builders** are taken home on a Friday and returned on Wednesdays.
