

# Welcome back Year 6!

**September 2020 - Term 1**

Welcome back!

We truly hope you have all enjoyed the break! It has been brilliant to welcome our new Year 6 Chaffinch class back to school.

Year 6 is such a special year in primary school and we will certainly be working very hard and having fun!

We saw how well our pupils adapted to new changes when they returned in Term 6 and I know they will be just as resilient and open-minded again.

The Google Classroom will continue to play an important role at school.

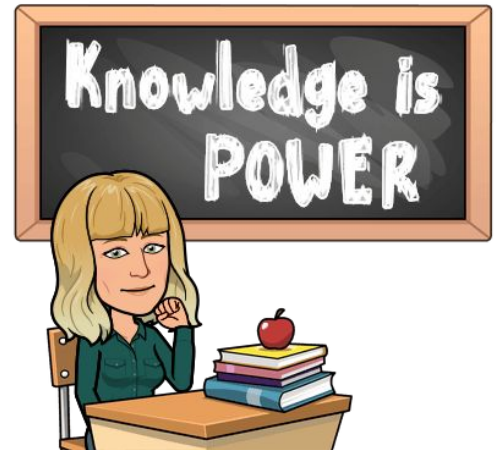

**Brain Builders** will be set weekly on the Google Classroom for Year 6 to complete by the following Wednesday. These will begin on the week of 14th September. **Spellings** will be sent home too. If you have any difficulty accessing these at home, please contact the office as soon as possible.

## **Year 6 Team**

**Teacher:** Mrs Mehigan

**LSA:** Mrs Moore

**Thursday & Friday:** Mrs Bennoson

## **Key Information**
