

Show me what you know about:

Due Dates:

**Due date:
23/9/20**

Fruit detectives! This week we have been looking at the story *Handa's Surprise* where she collects a variety of different fruits. For your Brain Builder, I would like you try one of the fruits from the story and explain why you liked/disliked the fruit. You can record a video of you verbally explaining your opinion and upload this to Google classroom or take a picture and write your opinion. Hopefully you find a new fruit that you enjoy! The fruits in the story are pineapple, orange, guava, banana, mango, passionfruit and avocado.

**Due date:
30/9/20**

Story tellers! This week we have continued to look at the story *Handa's Surprise*. This week for your Brain Builder, I would like you to re tell the story in your own words to an adult of your choice. It would be great to hear you re-telling the story so please video yourself and upload it to google classroom! I have put some picture prompts below to remind you of the different events in the story.

**Due date:
7/10/20**

Mathematicians! Over the past two weeks we have been looking at one more and one less of a given number. This week I would like you to make/ draw/ create a number line up to 20. I would then like you to use that number line to find out one more and one less of the numbers below. Take photos of your number line creations and answers and upload to google classroom! Remember to take a big breath when jumping forwards and backwards on the number line!

One more than 6
One less than 8
One more than 10
One less than 12
One more than 15
One less than 18

**Due date:
14/10/20**

Scientists! This week I would like you to do a science experiment at home. I would like you to pick 6 different fruits or vegetables. I would like you to test whether your vegetables sink or float in water. To record your results you can create a table like the one shown below and write the names of the fruit and vegetables in the correct columns. Take a photo of your findings and upload them here! Some great fruit and vegetables to try include potato, mango avocado, apples, bananas etc.

Example

Sink	Float
Potato	Pepper
