Oaks Primary Academy Admissions Arrangements for Academic Year 2023/24

Leigh Academies Trust is the Admissions Authority of the Academy. Applications for places will be made in accordance with Kent County Council's co-ordinated admissions scheme and timetable.

Admission number

Oaks Primary Academy has an agreed Published Admission Number (PAN) of 27 pupils for entry in reception. The Academy will accordingly admit at least 27 pupils in the relevant age group each year if sufficient applications are received. All applicants will be admitted if 27 or fewer apply.

Oversubscription criteria

If the Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan where the Academy is named in the Statement or Plan, priority for admission will be given to those children who meet the criteria set out below, in priority order.

1. Children in Care and previously Looked After Children

A Child in Care is a child who is (a) in the care of a Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of their Social Care functions (Section 22(1) of the Children's Act 1989).

A previously Looked After Child is a child who was adopted or subject to a residence order, or special guardianship order, immediately following having been "Looked After".

2. Sibling(s)

A brother or sister in the same Academy at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – now live in a property that is nearer to the Academy than the previous property as defined by the 'Nearness' criterion' (Point 5 below). For this criterion, brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters. Children residing in the same

households as part of an extended family, such as cousins, will not be treated as siblings. If siblings from multiple births (twins, triplets, etc.) apply for the Academy and the Academy would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the Academy will offer a place to each of the siblings, even if doing so takes the Academy above its PAN. If the admissions are to Year R, and so result in a breach of class size legislation, the additional pupil(s) will be treated as “excepted” for a period of one year, in line with the School Admission Code.

3. Child of a teaching staff member

The son or daughter of a member of staff who has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, or who has been recruited to fill a vacant post at the academy for which there is a demonstrable skill shortage. For this criteria son or daughter means a child who lives in the same house as the member of staff, including a natural son or daughter, an adopted child, stepson or daughter, or foster child. Children residing in the same households as part of an extended family, such as cousins, will not be eligible under this criterion. If children come from multiple births (twins, triplets, etc.) and the Academy would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those children, the Academy will offer a place to each of the children, even if doing so takes the academy above its PAN. If the admissions are to Year R, and so result in a breach of class size legislation, the additional pupil(s) will be treated as “excepted” for a period of one year, in line with the School Admission Code.

4. Health and Special Access Reasons

Medical and social reasons will be applied in accordance with the Academy's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose medical or social reasons mean they have a demonstrable and significant need to attend the Academy. Equally this priority will apply to children whose parents'/guardians', medical or social needs means that they have a demonstrable and significant need to attend the Academy. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner, and submitted at the time of application.

5. Nearness of children's homes to the Academy

We use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the Academy, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the Academy site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the Academy with those living closest being given priority. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a Senior Admissions Officer and confirmed by Head of Service.

If more than one applicant lives in a multi-occupancy building (e.g. flats) priority will be given to the applicant whose door number is the lowest numerically and/or alphabetically. Where

parents live at separate addresses, and have joint custody, the address used will be the one where the child spends the main part of the academy week (i.e. Sunday night to Thursday night inclusive). Applications eligible under criteria 1 – 4 are each ranked in order of nearness of the child's home to the Academy, using the method given in criterion 5.

Deferred entry for infants

Where an offer has been made, the academy will provide for the admission of all children in the September following their fourth birthday. Parents can choose to defer the date their child is admitted to the academy until later in the academy year, but not beyond the start of the term after their child reaches compulsory school age and not beyond the beginning of the final term of the academy year. Where parents wish, children may attend part-time until later in the academy year, but not beyond the start of the term after their child reaches compulsory school age.

Admission of children outside their normal age group

Requests for admission outside of the normal age group should be made to the Principal as early as possible in the admissions round associated with the child's date of birth. This allows the Academy and admissions authority sufficient time to make a decision before the closing date. Parents are not expected to provide evidence to support their request, however where provided it must be specific to the child in question and may include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, however, failure to provide this may impede the Academy's ability to agree to a request for admission outside of the normal age group. Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the Academy agrees to accept a deferred application for entry into Year R the following year. Deferred applications must be made via paper CAF to the Local Authority, with written confirmation from the academy Principal. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with the Academy's oversubscription criteria.

Fair Access Protocols

The Academy works in accordance with the in-year Fair Access Protocols held by the Local Authority. Should a vulnerable child within the protocols require a place at the Academy, they will take precedence over any child on the waiting list.

Tie breaker

If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. Priority will be given to the applicants who live nearest to the Academy as measured in a straight-line using Ordnance Survey address point data. Distances are measured from a defined point within the child's home to a defined point within the Academy as specified by Ordnance Survey. The same address point on the Academy site is used for everybody. In the event that two or more children in all other ways have equal eligibility for the last available place at the Academy, names will be issued a number and drawn randomly to decide which child should be given the place.

Operation of waiting lists

Subject to any provisions regarding waiting lists in the coordinated admission scheme, the Academy will operate a waiting list. Where in any year the Academy receives more applications for places than there are places available, a waiting list will operate until the final day of the academic year (i.e. 21st July). This will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Places from the waiting list will be offered in the priority order set out above, not in order of the date applications are made. The waiting list will be re-ranked each time a child is added or removed and before the offer of any place.

Appeals

If you have not been offered a place, the law entitles you to appeal against that decision to an Independent Appeal Panel. This panel is completely independent of the school and the Local Authority. All appeals will be heard online, which has the advantage that your appeal can be heard from your home or place of work. You can access an online form to appeal on the Academy's website: <https://oaksprimaryacademy.org.uk/>
